Impacts of COVID-19 on Scheduled INSA Events

INSA is closely monitoring the developments relating to the spread of COVID-19. Your health and safety continue to be our most important priority, and we remain committed to keeping you up to date on actions INSA takes as this crisis unfolds.

We will continue to assess all our upcoming events, as this situation is changing day to day, sometimes hour to hour. However, please register with confidence for any INSA event you are interested in attending. If you register for an event that you cannot attend due to COVID-19, rest assured, we have you covered.

Your safety is our top priority, and we are committed to making the right decision for all our stakeholders. If you have questions or need further information, please reach out to info@insaonline.org.
